**Registration deadline: 29 April 2022**

Laboratories wishing a second expertise for some singular taxa highlighted during the statistical processing will be able to send them back to AGLAE. To do so, participants will be contacted as soon as the review is issued to specify how to send the concerned taxa back.

This second expertise will allow a better consideration of the profile of singular laboratories for a possible re-ranking of analytical performance.

**The test documents of this Proficiency Testing Scheme are not translated into English.**
